Local Men Make

Valuable Finding

A local company composed of M. Rose, W. A. B. Cole, C. Gardner, D. Lewis and J. Murphy, have acquired some valuable oil lands in the neighborhood of Mud Lake, over which they are indeed optimistic.

We learn that part of their property is located but sixty feet from the proposed drilling site of the Mud Lake Oil Company, and that experts maintain that their site is really more desirable for drilling than any other in Southern Alberta.

Last week the holders declined to accept an offer of \$15,000 cash for a quarter section of their claim, and are hoping to get a much better figure following negotiations now on with responsible American concerns.

No Evidence to Hold Him

Fred Nahini, the Slavonian, who was charged with wrecking the freight train in which Engineer Harry Thompson was killed, was brought up for his preliminary hearing last week, at Macleod, and after hearing considerable evidence the accused was discharged, as it was shown that there was not sufficient evidence to warrant committing him.

W. M. Campbell, K.C., appeared for the Crown, the accused being represented by L. H. Putnam, of Blairmore.

Farewell to J. Swann

A most interesting farewell was tendered under the auspices of Coleman Lodge No. 6 and Coleman Lodge No. 7 at Coleman on Friday night last, to Bro. J. Swann, on the occasion of his leaving Alberta for his former home in Ontario.

Upwards of eighty people, including members of the above lodges and immediate friends, gathered in the Oddfellows hall at 8:30, where preparations for a good programme were in readiness.

The programme was opened at 8:45 with N. G. Rogers in the chair. Bro. Rogers made a very fitting opening address, expressing pleasure at having the privilege of bidding adieu to such an important question.

Sister Kelly, of Victoria Rebekek lodge, rendered a song, which was followed by a reading from Bro. Thomas Hargreaves.

The next address was sung by Bro. S. Hatfield, brought down the lodge.

The farewell address was read by Bro. Hayes, P. O., and the presentation of a past grandy collar and jewel was made by Sister Kelly, of Victoria Rebekek lodge.

Bro. Swann replied in fitting terms, recalling the many pleasant associations that had attended his term of residence in Coleman, and particularly since the institution of Coleman Lodge. He regretted that circumstances required the severing of those ties to a great extent, but rejoiced in the fact of the inviolable ties of Oddfellowship which would forever link up and maintain happy and comfortable relations. He regretted having to leave Coleman, where he has resided for the past several years and made many intimate friends, and would ever remain, indignantly, the proud owner of his memory.

The next speaker was Bro. B. C. Green, district deputy, from Blairmore. Bro. Green's remarks were brief but appropriate.

Bro. F. W. Dutil, P. G., P. O., was the next speaker, who occupied the floor for about twenty minutes. Bro. Dutil felt that Coleman lodge was losing one of their most enthusiastic members in Bro. Swann. Bro. Swann had ever since the institution of the Oddfellows lodge in Coleman been tireless in his efforts to ensure the lodge's success, and the high standard of the lodge and its membership is due in no small degree to the mould set by our departing brother. Since the institution of Coleman lodge, of which Bro. Swann was a charter member, he has always figured in some official capacity. His departure will be sorely felt by the lodge as well as by all Oddfellows and others with whom he had become associated, whether in social or business life.

Bro. Fairhurst and Clark rendered songs, after which luncheon was served by the ladies of Victoria Rebekek lodge.

After luncheon, this part of the programme was brought to a close by an address from Bro. Dutil, P. G.

Dancing followed and was kept up till early morning.

Judgment is Reserved in Alimony Case

Judgment was reserved by the appellate court at Calgary Friday morning in the matter of the appeal of Mrs. Mary Horne Lloyd from the judgment of his Lordship, Mr. Justice Scott, in the case of Lloyd v. Lloyd, which was heard before him some time ago at Lethbridge. The plaintiff to the action, Mrs. Mary Horne Lloyd, brought action against her husband, Thomas Lloyd, for alimony from the defendant and the custody of their infant children. She alleged excessive cruelty on the part of her husband. The two were married September 18, 1908, and it was alleged that the acts of cruelty began the following April and continued until the plaintiff was unable to live with her husband any longer and she left him February 12, 1913.

As stated in the foregoing, the accused was heard by Mr. Justice Scott; he held that the plaintiff
